RE: Ayers, Michael Richard

Status Report/Request for Modification
of Conditions of Release

Dear Judge Rodgers:

The purpose of this status report is to request the Court remove the following aspect of condition (28) Defendant shall participate in one or more of the following home confinement program(s):

Home Detention: Defendant shall be restricted to his/her residence at all times except for: attorney visits; court appearances; case-related matters; court-ordered obligations; or other activities as pre-approved by the Pretrial Services Office or supervising officer, including but not limited to employment, religious services, medical necessities, substance abuse testing or treatment, or mental health treatment.

The defendant is currently on GPS electronic monitoring with a curfew of 6 p.m. to 6 a.m. He is residing with his mother and acts as her care giver. The curfew will allow him to be away from the home during the listed hours to complete necessary tasks. The GPS will allow for monitoring of his movements and confirm he is not having contact with his co-defendant.

Should Your Honor have any questions or concerns, please feel free to contact me at 509-574-5530.

Ayers, Michael Richard
